Global Health Insurance Plan

NETWORK PROVIDERS

How to Find a Network Provider

Your Global Health Insurance plan gives you access to one of the largest international networks of healthcare providers, with over 45,000 facilities worldwide. To find a network provider:

1. **Online Directory:** Visit www.globalhealthinsurance.com/providers (<http://www.globalhealthinsurance.com/providers>) and search by:
 - o Location (country, city, postal code)
 - o Specialty
 - o Provider name
 - o Distance from your location
2. **Mobile App:** Download our mobile app and use the "Find Provider" feature, which includes GPS location services to find the nearest facilities.
3. **Customer Service:** Call +1-800-555-7890 to speak with a representative who can help you locate providers.

Provider Types in Our Network

Our network includes:

- Hospitals and clinics
- General practitioners
- Specialists
- Diagnostic centers
- Pharmacies
- Dental clinics
- Vision centers
- Physical therapy centers

Direct Billing Arrangements

Most network providers offer direct billing services. This means the provider will bill us directly for covered services, and you will only need to pay any applicable deductibles, co-payments, or non-covered services.

CLAIMS INFORMATION
